Disclaimer

This brochure is a compilation of services and private practitioners who are working in the area and is not intended as a complete listing of all support services in the outer North West Brisbane area.

Christmas and New Year is a wonderful time for many families. However it can also be a time of difficulty and struggle for others.

Many support services are closed over the Christmas and New Year holiday period, but don't be concerned if you are finding it hard to find help.

Assistance is always available for genuine emergencies 24 hours, 7 days per week.

This brochure is designed to assist families and individuals needing emergency assistance and support during this time of year.

I trust it is helpful and would value any feedback you may offer.
